### What we can Offer

- **Participation:** Our involvement in many external bodies provides SARTSMA members with a voice that is heard. We actively take steps to meet our members needs on industry related issues through our representative role at the appropriate bodies.
- **Standardisation:** Members are provided with the opportunity to have industry representation at SABS and other committees that are directly related to their business interests
- **Regular Meetings:** Four, well-structured, general committee meetings per year are arranged to keep members up to date with the work of the Association and, where

necessary and relevant, additional working group meetings are arranged to meet the specific needs of each industry sector on a collaborative basis

- **Networking Opportunities:** Networking is a valuable part of all our meetings, providing the opportunity to connect with other members.
- **Access to Information:** We are often able to provide early feedback on reports from the committees we participate on. We share information and reports received directly to our members via the membership area on our website
- **Business Growth:** Procurement opportunities via the Quotations (Products & Services??) page on our website can provide a competitive advantage
- **Positive Engagement:** Enhancing knowledge is about sharing and feeling safe as part of a community
